Come Out for a Day at the Waves

Take the plunge and visit Raging Waves Waterpark for a day of fun for the entire family.

Whoosh down PJ's Plummer or bob in our Great Barrier Reef wave pool. Experience thrills down the Boomerang or one of our other exciting slides.

Float lazily through the park along Kookaberra Kreek. Let little ones splash around Koala Kove. Your kids will love our pizza and nachos and you'll enjoy our salads and other healthier fare. Explore our spacious 45 acres and you'll see why USA TODAY calls Raging Waves "an over-the-top water park with a Down Under flavor" and Midwest Living rated us as the "Best of the Midwest" for 2010.

We Put Safety First

All Raging Waves lifeguards are certified by Ellis and Associates, the leaders in water park safety.
